

**University of Maryland
Research Leaders Fellows Program
Nomination Form**

1. The Nominee:

Last Name	
First Name	
Title	
School/Institute	
Telephone	
Email	

The nominee is expected to have given consent to this nomination. Please confirm that the nominee will participate in the Fellows Program 2020/21, if offered a place.

(Please tick to confirm)

2. The Proposer (required for all nominations)

The proposer can be the applicant themselves (a self nomination) OR the Dean of the College; the Dean does not need to endorse or support self-nominations.

Last Name	
First Name	
Title	
College/School/Dept	
Telephone	
Email	
Signature (or e-signature)	
Date	

3. Dean's Information (required for all nominations except self-nominations)

Contact details of the Dean supporting the nomination.

Comments on suitability of nominee for the course (if Dean is not the proposer)	
---	--

4. Personal Statement (Maximum 250 words). To be completed by the nominee.

- a. Outline how you expect to benefit from participating in the Presidential Research Leaders Program;

5. The case for nomination (Maximum 250 words). To be completed by the Proposer:

- a. Indicate why the nominee would be appropriate for the Research Fellows Program (focus on what the nominee has to gain from the program, why now, and what they will contribute to the program)
- b. Outline the nominees distinctive contribution to research excellence and, where appropriate, to impact.
- c. Outline the nominees capabilities and potential with regard to research leadership

Here are some criteria and pointers to consider as you evaluate the suitability of a nominee for this program: note not all candidates will be able to address each of the below suggested criteria.

i. Evidence of sustained and significant research awards appropriate to the discipline and career stage; potential for transformative impact as a result of high quality research that will contribute to real world changes
ii. Evidence of high quality supervision of PhD students, ability to successfully mentor students, ability to inclusively lead a diverse research team and manage conflicts effectively
iii. Prestigious awards, prizes or fellowships early in the career of the nominee; early influence on policy and/or professional practices in relevant fields; contribution to the improvement of economic, social, public and cultural life

6. Curriculum Vitae

Please include a brief CV of the nominee, of no more than two pages, which best illustrates the experiences and capabilities required for the Research Fellows Program. Examples of synergistic activities are encouraged.

7. Submission

Please return the completed form to Hana Kabashi hkabashi@umd.edu by **September 30, 2020**.
